MACQUARIE UNIVERSITY HOSPITAL

Macquarie University Hospital is Australia's first private hospital on a university campus. We are committed to delivering a positive patient experience and superior clinical outcomes through the best available care.

This state-of-the-art hospital offers a comprehensive range of services and specialist areas and features the latest technology, much of it unavailable anywhere else in the country.

To bring the best outcomes to our patients, Macquarie University Hospital follows three simply stated aims: to heal, to learn, to discover.

For a list of all our specialists please visit www.muh.org.au

Triennium

Join other Sydney GPs in an interactive educational session by leading Macquarie University Specialists. As well as learning about developments in their respective fields, you will have the opportunity to raise questions and discuss issues with these specialists.

Registration commences at 6.20pm with drinks, followed by rotating presentations by specialists, with round-table discussions. Dinner will be provided. The event will conclude around 9.45pm.

THE EXPERTS

DR SIMON CHAN

Dr Simon Chan is a Hand Surgeon at Macquarie University Hospital who manages adult hand and wrist conditions. Dr Chan has a particular interest in wrist arthroscopy, hand and wrist surgery and complex wrist fractures and dislocations.

Topic: Common Hand Injuries Presenting to GP Clinics

DR ANNE WAJON

Dr Anne Wajon is a physiotherapist with several years' experience in treating the hand and upper limb. She has hand therapy practices at Hornsby and Dee Why, and in 2010 joined Professor Gumley to set up the Macquarie Hand Unit. Dr Wajon enjoys the clinical and academic aspects of hand therapy and completed her PhD on the management of carpometacarpal osteoarthritis in 2006.

Topic: Hand Therapy for Common Hand Injuries Presenting to GP Clinics

DR DAMIAN RYAN

Dr Damian Ryan trained in Orthopaedic surgery specialising in Hand and Wrist surgery with fellowship training at Royal North Shore Hospital and Christine M Klienert Fellowship in Louisville Kentucky. He spent nearly two decades at Royal Prince Alfred Hospital working with the Orthopaedic, Hand and Rheumatology Units before moving

to Macquarie University Hand Unit and Sydney Hospital Hand Unit. His particular interests include management of arthritis of the hand and wrist.

Topic: Management of Hand Arthritis

DR IAN YUEN

Dr Ian Yuen is an Orthopaedic Surgeon specialising in Hand Surgery at Macquarie University Hospital. Dr Yuen manages all hand and wrist conditions, with a particular interest in collagenase for the management of Dupuytren's Contracture, as well as fractures and ligament injuries of the hand and wrist.

Topic: New Injectable Collagenase for the Management of Dupuytren's Contracture
