Join other Sydney GPs at an educational session by leading Macquarie University Specialists. As well as learning about developments in their respective fields, you will have the opportunity to raise questions and discuss issues with these specialists. Registration commences at 6.30pm with drinks, followed by presentations by specialists. A seafood buffet will be provided. The event will conclude around 9.45pm.

## THE EXPERTS

### PROFESSOR DOMINIC ROWE AM

Professor Rowe's areas of expertise include Motor Neurone Disease and Parkinson's Disease among other forms of neuro-degenerative disease. As the inaugural Professor of Neurology at Macquarie University, he is involved in research into the cause and therapies of these diseases.

**Topic: TIA or Stroke**  
**Case based examples to understand timely management of acute stroke syndromes**

### DR CAROLYN ORR PHD

Following her training at Mayo Clinic in Neurodegenerative Diseases and Cognitive Disorders, Dr Orr joined Macquarie Neurology in 2009 on her return to Sydney. She is the director of the Macquarie Neurology Cognitive and Memory Disorders Clinic.

**Topic: Neurodegenerative diseases**  
**Pearls of wisdom in common neurodegenerative diseases**

### DR IK LIN TAN MPH

Dr Tan joined the team at M|N in 2012 after returning to Sydney from Johns Hopkins Hospital, Baltimore. Dr Tan's expertise is in Multiple Sclerosis, inflammation and infection, and neuro-ophthalmology.

**Topic: Pearls of Neuro-ophthalmology**  
**Case based examples to highlight neuro-ophthalmology emergencies**

### DR OMAR AHMAD

Dr Ahmad commenced at M|N this year moving to Sydney from a consultant practice in Canberra. Dr Ahmad has completed further study in stroke and movement disorders in the United Kingdom.

**Topic: Red Flags in Headache**  
**Case based examples of recognising when to investigate**
