## MACQUARIE UNIVERSITY HOSPITAL

Macquarie University Hospital is Australia's first and only private hospital on a university campus. We are committed to delivering a positive patient experience and superior clinical outcomes through the best available care.

This state-of-the-art hospital offers a comprehensive range of services and specialist areas and features the latest technology, much of it unavailable anywhere else in the country.

To bring the best outcomes to our patients, Macquarie University Hospital follows three simply stated aims: to heal, to learn, to discover.

For a list of all our specialists please visit [www.muhs.org.au](http://www.muhs.org.au)

Triennium

Join other Sydney GPs at an educational session by leading Macquarie University Specialists. As well as learning about developments in their respective fields, you will have the opportunity to raise questions and discuss issues with these specialists. Registration commences at 6.20pm with drinks, followed by presentations by specialists. A seafood buffet will be provided. The event will conclude around 9.45pm.

## THE EXPERTS

The Hand Unit team at Macquarie University Hospital is headed by Associate Professor Graham Gumley. The unit provides integrated care for people with musculoskeletal and neurological disorders of the hand and upper limb. We provide a comprehensive approach to the care of hand conditions, whether the result of trauma, arthritis, occupational overuse or nerve compression. With our team of Fellowship trained Hand Surgeons, qualified Hand Therapists and internationally qualified specialist staff we focus on preventing impairment, restoring function and enhancing our patient's participation in life.

### ASSOCIATE PROFESSOR GRAHAM GUMLEY

Associate Professor Graham Gumley is the Head of the Macquarie Hand Unit with prior appointments with Harvard and Boston Universities, and is the former vice chairman of Orthopaedics at the Lahey Clinic, Boston and Director of the Sihanouk Hospital Center of HOPE in Phnom Penh. He will host the evening and introduce his specialist colleagues.

### DR JAI SUNGARAN

Dr Jai Sungaran is an Orthopaedic Hand & Wrist surgeon who completed a Fellowship and Master's degree in Hand Surgery at Macquarie University Hospital. He is involved in the management of acute hand and wrist trauma and sporting injuries.

**Topic: Management of scaphoid fractures**

### DR MICHAEL DOWD

Dr Michael Dowd FRACS is a fully qualified Plastic Surgeon who is a member of the Australian Hand Surgery Society and The NSW Hand Association. He has a special interest in hand surgery and his main interests are in soft tissue disorders of the hand such as carpal tunnel syndrome, Dupuytren's Disease, trigger finger, lumps in the hand, mucous cysts, ganglions, arthritis and De Quervain's Disease.

**Topic: Carpal Tunnel Syndrome and related conditions of the Hand**

### DR SIMON CHAN

Dr Simon Chan is a Hand Surgeon at Macquarie University Hospital who manages adult hand & wrist conditions, with a particular interest in wrist arthroscopy and carpal problems.

**Topic: Management of TFCC injuries in the wrist**

### DR NICHOLAS SMITH

Dr Nicholas Smith is an Orthopaedic background Hand Surgeon whose interests include hand and wrist surgery, particularly wrist arthroscopy, thumb arthritis and congenital hand surgery.

**Topic: Distal radius fractures**
